

Harpers Ferry Outdoor Festival

www.hfof.org

For eighteen years now, the paddling community of the greater Harpers Ferry area has hosted a kayak race/festival in memory of Tim Gavin. Tim was a resident, friend, and avid paddler who lost his life in a kayaking accident in March of 1998 on the Upper Blackwater River. He was an outdoor recreation enthusiast and supporter of preserving our local natural resources for future generations. Since whitewater was such a large part of his life, we have selected four organizations that he would be proud to support. These include Friends of the Blackwater Canyon, Friends of the Cheat, Blue Ridge Watershed Coalition, and West Virginia Rivers Coalition, each of which plays instrumental roles in conservation, preservation, and monitoring natural resource quality.

This year we plan to hold the 19th annual Tim Gavin Downriver Race and Harpers Ferry Outdoor Festival on June 9 & 10, 2017. As you may know, organizing and executing a plan for this event is both costly and time consuming. With this in mind, we would greatly appreciate any contribution your organization could provide to ensure our festival is a success. Included in this packet is a breakdown of sponsorship levels and benefits to be provided for your generous support.

Thank you not only for showing that you share our love of the region, and concerns about its natural resources, but also for being willing to help us raise money to protect them!

Sincerely,

Shanna Stabi

Sponsorship Coordinator
